## **Terry Goddard to Host Free Shred Day in Florence**

(Phoenix, Ariz. – Feb. 20, 2007) Attorney General Terry Goddard invites Pinal County residents to shred old documents in an effort to prevent identity theft. On Feb. 28, Goddard and the Dorothy Nolan Senior Center will host a free Shred Day in Florence from 10:30 a.m. to noon.

Residents are encouraged to bring old bills, tax returns older than seven years, medical records and other documents containing personal identifying information to shred.

The Attorney General's Fraud Fighter Van and Community Services staff and volunteers will be on hand with information about consumer protection and civil rights. The Attorney General's Office also has satellite offices throughout the state. Please visit the Attorney General's Web site at [www.azag.gov](http://www.azag.gov) for Satellite Office locations and office hours.

This event will not feature onsite shredding. The Dorothy Nolan Senior Center will provide locked bins for residents to deposit their personal documents. Staff members from the Attorney General's Office will be onsite to ensure security. The bins will be taken to Assured Security Document Destruction for shredding.
